Dear Mr. Adidela/Ambedkar Scholarships,

My name is Rajeev Ravisankar, I am originally from Columbus, Ohio, USA, but for the last 10 months I have been studying in Chennai, Tamil Nadu at the Asian College of Journalism. Upon completion of my course I received a cash prize of Rs. 2500 for my investigative project. I did not feel right about using the money so I thought the best thing would be to donate it to your scholarship fund.

I chose this scholarship fund for a couple different reasons. First, I truly believe that education can play a vital part in helping Dalits break the shackles imposed on them by a virulently casteist society. Also, I could not help but be disturbed that at my own college there were no Dalit students despite the fact that four scholarships specifically for Dalit students are available. Having said this, I commend you for the work that you are doing, I hope that my donation will be able to help in your continuing efforts.

Sincerely,

Rajeev Ravisankar
